and International Economic Relations

12th International Science Conference on

GLOBAL PROBLEMS OF AGRICULTURE, FORESTRY AND FOOD ECONOMY

Preliminary announcement

Warsaw – Rogów, Poland, June 18-19, 2015

Department of Agricultural Economics and International Economic Relations of the Warsaw University of Life Sciences (SGGW) is cordially inviting you to participate in the **12th International Scientific Conference on Global Problems of Agriculture, Forestry and Food Economy** to be held on June 18-19, 2015.

CONFERENCE TOPICS

- Perspectives and determinants of development of agriculture, forestry and food economy in Poland and other countries,
- Globalization process and its influence on food economy and rural areas,
- International trends in the consumption of food and non-food agribusiness products as well as the environmental qualities of the rural areas,
- Price and income risks in food economy in the era of globalization,
- Economic and social problems in the development of forestry in Poland and other countries,
- Methodological aspects of the evaluation of development of food economy and rural areas,
- Information systems in agriculture, forestry and food economy,
- Economic aspects of managing information in the process of globalization,
- Human capital and social determinants in the European agriculture in the process of the European integration.

Problems touched upon in the papers should be presented in the form of international comparisons. After receiving positive reviews, the papers will be published in the SGGW Scientific Journal: Problems of World Agriculture (8 pts.). The papers should be prepared in accordance with the editor's requirements: <http://kerimsg.wne.sggw.pl/>.

CONFERENCE SCHEDULE

Application form deadline by **May 15, 2015**
Payment deadline by **May 15, 2015**
Submission of papers deadline: by **May 15, 2015**

The papers sent after **March 31, 2015** will be published after the conference.
